

ATLAS K-12 PRICING

One flat rate per district. No per-student billing.

Every license is a single annual fee. Founder partners lock in 50% off standard pricing, forever. No tier jumps at renewal.

SINGLE SCHOOL Under 500 students Single building pilot \$2,400 \$1,200 /yr FOUNDER PRICE	SMALL DISTRICT 500-2,500 students 2 to 5 buildings \$6,000 \$3,000 /yr FOUNDER PRICE	MID DISTRICT 2,500-7,500 students 5 to 12 buildings \$12,000 \$6,000 /yr FOUNDER PRICE	LARGE DISTRICT 7,500-20,000 12 to 30 buildings \$24,000 \$12,000 /yr FOUNDER PRICE	VERY LARGE 20,000+ students 30+ buildings Let's Talk FOUNDER PRICE
---	---	---	---	---

Every tier includes

- ✓ Compass AI (Lite / Standard / Pro - sized to your hardware)
- ✓ Built-in SIS adapters: PowerSchool, Infinite Campus, Aeries, Synergy, eSchoolPlus, Ed-Fi, OneRoster
- ✓ FERPA and COPPA aligned by architecture - student records never leave the district
- ✓ Email support directly from the founder - no ticket routing
- ✓ All MTSS modules: academics, behavior, attendance, SEL
- ✓ 47 security controls with on-premise install and Layer-4 socket isolation
- ✓ Free software updates forever - no version upgrade invoices

Optional add-ons

- **Remote weekend install + live debugging:** \$1,500 one-time. Free for founder partners during development.
- **Custom SIS adapter:** \$2,500 one-time. Only if your SIS is not already on the built-in list. Waived for founders on request.
- **Individual add-on features:** from \$500 per year. Contact atlasoa@outlook.com for custom bundles.

REAL-WORLD COMPARISON

A 5,000-student district paying Panorama at \$10 per student writes a \$50,000 check. The same district on Atlas K-12 Mid Founder pays \$6,000. That is \$44,000 in annual savings - while every student record stays on hardware the district owns.
